Dear Professor Lederberg:

In your letter of May 31 you expressed an interest in the work of the Council for the Specialized Public High Schools. The one man who can give you the best account of this work is Mr. Ira Marlenhoff, who has been President of the Council for many years. At a meeting of the Council last Tuesday, I had the opportunity to broach the matter to him and he has graciously agreed to write to you in the near future.

Mr. Marlenhoff is Chairman of the History Department at Hunter College High School. Since the school will be closed during the summer, I am giving you his home address: 499

494 Fort Washington Avenue
New York, N.Y. 10033

Again, if I can be of further help to you, please communicate with me.

Sincerely,

Jacob Wortman

P.S. I am sending to Prof. Harriet Zuckerman copies of the material I sent you May 25.
